 Plaintiff
 v.

Case No. 1:05-CV-37

Thomas Carroll, et al

REconsideration MOTION

Plaintiff Samuel, respect the court ruling on my Classification Committee Abuse of Discretion claim. However, Plaintiff Submit to the District court that I Claim Discrimination also in regard to the Classification Committee. (see Complaint, Statement of Claims; Page, 2) Discrimination) also (see Continue Attach extra sheet; Page 2) where Plaintiff argue I was Classified and Seeing all the other inmates be moved. Plaintiff Claim that I was discriminated against because other similarly situated inmates were Classified to the Compound and moved to the compound. But not me. I was Kept back, moved to Higher Security unit, my Job was taken while other similarly situated inmates was allowed to keep there Job. Plaintiff Submit that a inmate could only work, etc., only if the inmate complete his Treatment Plan and must be on level 5 to work, and because the inmate work the inmate get a point off his points. But Counselor Kramer told me, you are now in Max, this Classification over rides your Classification to Med. (Medium, to Compound) and I Kramer) did not consider your point for working. But the other inmates was given credit for their point off for working.

Note: to Court the Discrimination claim is also claim for deprived of a Pillow complaint.
